We are pleased to offer a number of Sixth Form Scholarships to reward internal and external candidates who show excellence and potential. Sixth Form Scholars are expected to demonstrate an exemplary approach to Sixth Form life, serving as role models in our school community and making the most of the new opportunities available in our Sixth Form.

## Our Scholarship Process

Sixth Form Scholarships are awarded on the basis of strong performance in the Sixth Form Application Interview and Scholarship Assessment which take place from the end of November.

As well as external candidates, all internal candidates are eligible to apply as long as they are not already in receipt of a scholarship at our school. Internal candidates already in receipt of a scholarship will continue to receive their current award through to the end of Year 13.

We are pleased to give all candidates the option to be entered for any one (or two) of the eighteen assessment options listed below. Please tick which one (or two) of the eighteen you would like to take.
