Junior Pupil Acceptable Use Agreement/eSafety Rules 2022-2023

Using School ICT sensibly

I will only use ICT in school for learning activities. I will keep to the school rules when I am using my phone.

I will not tell other people my ICT passwords.

I will not spoil or delete anyone else's work.

I will make sure that all ICT contact with other children and adults is responsible, polite and sensible. I will never be unkind or rude.

I will only open email attachments from people I know, or who my teacher has approved.

I will not look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this I will tell my teacher immediately.

I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe.

Being Safe

I will not give out my own details such as my name, phone number or home address. I will not arrange to meet anyone that I have met online.

I know that someone online might lie about who they are and that information on the internet might not be true. I will be careful about who I believe and what I believe.

I will only use my class email address or my own school email address when emailing.

I know that some websites and games have age restrictions. I will keep to them and not go to things that are too old for me.

I know that my use of ICT can be checked and that my parent / guardian contacted if a member of school staff is concerned about my eSafety or behaviour.

I will tell my teacher or parent if something makes me worried or uncomfortable, or I know that someone is being bullied online.
