The screenshot shows a web interface for Shrewsbury High. At the top, a dark header bar contains the text 'Shrewsbury High'. Below this, the page is split into two columns. The left column is titled 'Activate account' and contains the text 'Parent Login' and 'To activate your account, enter your e-mail address or username.' Below this text is a text input field containing the email address 'emails@emails.co.uk' and a blue button labeled 'Activate account'. The right column is titled 'Or log in with' and contains a button labeled 'Pupil and Staff Login'. At the bottom right of the page, there is a 'firefly' logo.

7. Create and confirm a password

The password is one of your own choosing. You can be reminded of it or change it at any time.
